We suggest that two adults assemble this product.

Instructions: Unbox unit and find hardware bag inside of box. (You should have 3 boxes)

To attach side units to mirror back follow these instructions:

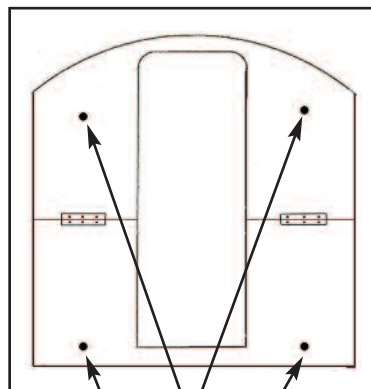

- 1 - Place the left side (shelves) and right side (door) upright as shown in picture #1 approx. 15" apart.
- 2 - Unfold the back piece that holds the mirror and lay flat with the inset for the mirror facing up #2. (This is the back side.) Remove the protective film from the mirror and carefully lay mirror inside groove facing down. Place the 1/8" thick cover board on top of the mirror so it overlaps the mirror 1 inch all the way around. Attach the cover board to back with the 1/2" screws provided. #3
- 3 - Carefully lift up the mirror back assembly (Do not let assembly fall or bend over) and move to back of right and left sides. #4
- 4 - Take the 4 bolts provided, one side at a time push them into the holes on the mirror backs and into the holes on the side pieces. Start fastening them but do not tighten them yet. #4
Once you have all 4 bolts started in the side pieces and the unit is sitting flat, tighten the bolts.
- 5 - Attach the handle to the door with the 2 screws provided.
